Banja Vrujci, May 27th-28th, 2017.

is announcing

A CONTEST FOR TEACHERS

FOR THE BEST SHORT FILM

on the topic

“LET’S REFORM OUR EDUCATION“

- This contest is meant for preschool teachers, class teachers, subject teachers, educational associates, as well as students and professors of educational universities and principals of educational institutions.

- The contest entry needs to present one problem in today’s education through the form of a short film, as well as a step-by-step solution of the given problem (*it is allowed to include more than one problem, if they stem from the same source and have a similar solution*). The observed problem and the idea for solving it need to be represented through the short film (live action, documentary, or a combination of the two) in which the following individuals can be directly or indirectly involved: students, parents, teachers, educational associates, educational institution principals, students and

- professors of educational universities, local government representatives...
- Display the attitude or the opinion of at least three participants of the educational process, which may or may not have an impact on the solution to the problem provided by the film's author.
 - Represent the topic in live action-documentary form video clip lasting **up to 7 minutes**;
 - The video clip can be made using a mobile phone or a camera;
 - Participants can be individuals or teams; in the case of teams, the teamwork coordinator must be named in the application;

A CONTEST FOR TEACHERS FOR THE BEST WORKSHOP on the topic

“A DOLL AS A TEACHING RESOURCE“

- This contest is meant for preschool teachers, class teachers, subject teachers and educational associates..
- All interested authors of dolls as teaching resources have the opportunity to send a visual and written description of their teaching resource, which can be used to achieve one or more educational goals in one or more school subjects.
- The best authors of the workshop *A doll as a teaching resource* will organize their creative workshops for the participants of the 13th „VODAVODA-THE CREATIVE MAGIC“ on May 28th 2017 in Banja Vrujci, when the winners will be announced.
- Participants will have to present their workshop in a Word document up to 5 pages long, including photos, and send it to kreativnacrolija2017@gmail.com until April 20th at the latest.

The Word document has to contain:

- the title of the mini project,
- the description of how to use a doll in a specific teaching situation,
- the description of the dolls and scenography, as well as the process of making them,
- photos or sketches of half-finished products that will be used in the workshop and
- the author's biography.

The authors of the best teaching resources take on the obligation to organize their workshop, entitled “A doll as a teaching resource”, for the participants of the festival on May 28th 2017, using their own materials and including the festival’s participants into the workshop process.
